RE: Facility ID No. 777-00349, T.V. Gravel Products  
Permit by Rule No. PR- 040525 Registration Notification

Dear Mr. Virgin:

The Idaho Department of Environmental Quality (DEQ) received a Permit by Rule Registration form for a Nonmetallic Mineral Processing Plant from T.V. Gravel Products on November 8, 2004. The registration is for the following equipment:

<b>Cedar Rapids Cone Crusher</b>	<b>Cedar Rapids Screen Deck</b>	<b>Detroit Amethon Generator</b>
Serial No.: 50386	Size: 5 ft by 16 ft, 3 decks	Output (kW): 550 KW
Capacity (T/hr): 200	Serial No.: 47323	Fuel Type: Diesel

Your registration for Permit by Rule is in our files. There is no existing air quality permit associated with this company; therefore, no permit termination action is required. We recommend that you maintain a copy of this letter and a copy of the enclosed registration form for your records.

Please be advised that the registered equipment must comply with the Rules for the Control of Nonmetallic Mineral Processing Plants in accordance with IDAPA 58.01.01.790 through 802 (*Rules for the Control of Air Pollution in Idaho*). You can download a copy of the rules by visiting the rules page on DEQ's web site at:

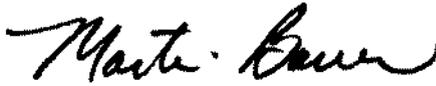

<http://www2.state.id.us/adm/adminrules/rules/idapa58/0101.pdf>

[http://www.deq.state.id.us/assistance/industry\\_specific/rock\\_crushers.htm#permit\\_by\\_rule](http://www.deq.state.id.us/assistance/industry_specific/rock_crushers.htm#permit_by_rule)

### Other Air Quality Requirements

You will be required to submit a portable equipment relocation form each time the plant is moved to a new site of operations. DEQ requires that this form be submitted at least ten days prior to relocating the equipment. A copy of the form is enclosed for your convenience. If you have any questions regarding this Permit by Rule process, please contact Dan Pitman of my staff at (208) 373-0502 or [dpitman@deq.state.id.us](mailto:dpitman@deq.state.id.us)

Sincerely,

Martin Bauer, Administrator  
Air Quality Division
